Dear Pensioners

For more than 70 years, the Cape Joint Pension Fund has been helping local government employees save for the retirement they deserve.

With our large pool of pensioners, and solid governance practices, our Fund has a very proud history of strong investment returns that steadily grow the savings of our many members.

The Fund is now entering an exciting new chapter in its history with the launch of a dynamic new name and modern logo.

With effect from 1 June 2016 the name of the Fund will change from the Cape Joint Pension Fund to the LA Retirement Fund.

Our new name, LA Retirement Fund, reflects the dawn of a new era – one in which we actively portray the following:

- A dynamic defined contribution fund for active members
- A fund that continues to fulfil its pension promise to you, our pensioners
- All-inclusive membership not constrained just to the Cape
- A unique, easily recognizable brand that is representative of our membership of local authority employees
- Our aim to grow our membership
- The retention of our members at the heart of everything we do
- Our proud history of world class governance practices and our solid investment performance

While the name and logo of the Fund has become more modern and relevant to our diverse membership, our continued commitment to fulfilling our pension promise to you, our pensioners, is as strong as ever.

Please note that this change will not in any way affect your current or future pension.

In June 2016 we will also launch our new mobi-friendly website which will be easy to navigate and will provide access to important and interesting insights and information.....watch this space !! (www.laretirementfund.co.za)
